## MEMORIAL DAY CRUISE VENUE CHANGES: IT'S GANGES AGAIN!

**Joe Coons**, who is serving as chair for the Memorial Day Cruise, reports that the venue has changed from Deer Harbor Marina (as listed in the Roster/Yearbook) to **The Ganges Marina**. According to Joe, Deer Harbor has been filled up since early December for the May 28-31 weekend, requiring the alteration in the plans. "On the other hand", says Joe, "We've been going to Ganges on this weekend for the last several years, and we've always had a great time!" Plans for the weekend include a visit to the much-enlarged Ganges public farm market on Saturday morning, shopping and dining in this, the Gulf Island's largest town, dock parties Saturday and Sunday evening (and an informal gathering Friday for those arriving early) and a side trip on Sunday or Monday via boat to an island for a picnic, weather permitting.

**To join the cruise, do two things:** First, call the Ganges Marina and make a slip reservation at (250) 537-5242. Second, contact Joe at [bycjoe@comcast.net](mailto:bycjoe@comcast.net) or at (360) 739-1528. Joe will also be getting signups at the Fridays at Five before the event.

## PAST COMMODORE'S CRUISE

If you are planning on going to the Past Commodore's Cruise to Blakely Island, you can go to the BYC website and fill out a sign-up for the Past Commodore's Cruise. It is located on the home page under "upcoming events" -- click on the white "registration form". Once there, you will also see a link to the cruise roster itself and can see who is already signed up for the cruise.

*Thanks, Jamie Foti  
BYC Cruise Chairman*

## Commodores Corner

Spring has sprung on a positive note. This is the time of year where we all look forward to longer days and the start of yachting season. Check the web site for schedules of cruises and races as we plow ahead with full steam. Thank you **Dick Grimshaw** for the new look to our web site and updates as they come in.

Our search for a new assistant treasurer has been successful. **Dolph Conrads** has stepped to the plate and will begin the introduction/training into this new position with Joe. Many thanks Dolph.

Opening Day is just around the corner, May 1st. Hopefully the "Adventures Down Under" theme will get all your creative juices flowing. The Opening Day committee has been hard at work to assure a successful and fun day.

Don't forget the club scrub April 17th from 9 AM - 12 PM. Past Commodores Cruise April 24-25 reservations with Blakley Marina a must. Wednesdays in April will also bring the start of sailors out on the water again to provide community as well as personal entertainment. Pacific Rim Regatta is in need of sailors and ambassadors to Russia. Please contact **Al Callery** for information.

*Till next month, Smooth Sailing

## Junior Programs

Can it be that winter is finally leaving us?? It seems like no time at all has gone by since this summer when were going full bore, and now we are gearing up again. Our budget for the 2004 junior program was approved at the February board meeting, so we are on our way! The Executive Officers and the Board of Trustees allotted over \$4000 to the junior program, and yes that's a lot! Thanks to their backing and generous donations from local business, we will be on the water very soon, with refurbished boats, and a BRAND NEW chase boat! To all of you who have contributed to the Adopt-a-Byte program or in any other way, THANKS!!! If you haven't and you would like to, please contact me. It costs a lot of money to run a program like ours, and every little bit counts. I always feel like I use to many!!!! Exclamation marks!!!! When I write these articles, but there is so much to be excited about that I'm doing it anyways. Our junior program will be restructured to allow more young people to be involved. This will include sailing camps among other things that will let people who will only be here a short time join and still benefit. This spring and summer will be fantastic, and I look forward to all the events and activities. Keep your eyes peeled for more info on junior programs and don't forget to check the website, as **Geoff** has been put in charge of the junior section of it, and has already created a new junior section. Thanks again to all those who have pitched in and thanks in advance to all who will be helping me get things off the ground. I apologize for the partial reprint, but Geoff and I have been busy getting things up and running. Until next time.....

Junior Programs Director*

## SPRING CLUB SCRUB SATURDAY, APRIL 17

Since October, 2001, the Club has held two "Club Scrubs" a year in the Spring and Fall. These events, coordinated by the Building & House Committee, bring out as many Members as possible to clean up, paint up, fix up our Club, saving us thousands of dollars in our annual maintenance budget.

Please come to the BYC on **Saturday, April 17, at 9:00AM**. When the session ends at **Noon**, there will be a free lunch and refreshments for all participants. Questions? Call **John Asmundson** at 734-7591.

## A Special Thanks!

Past Commodore **Jerry Main** and his wife **Marian** have sent the Club a contribution for the Lifering Fund in Memory of **Luzenia (Mr. Peter) Redpath** who passed away recently. "**Goodie**", as she was known, was a longtime supporter of, contributor to, the Club and she will be fondly remembered. Thanks to Jerry and Marian for thinking of us!

## Editorial

Dolph and I bartended this past Friday night, and it reminded me again of the nature of this club, we're all volunteers! Each of us doing our part to make this a better place and a fun place to congregate. I was told on Friday by **Bob Kehoe** of the history of membership. At one time there was a waiting list! Wow! I know growth is good for the club, but I hope it never gets that big, I like knowing many members personally...and if you're like me it makes it easier to remember people's names!

**Jamie Foti** stopped by to guide us through the beginning of our evening duties—Thanks Jamie! While bartending my Dad and his wife Sue stopped by to watch Dolph and I in our efforts to be "Sam Malone", and as they sat at the bar watching us and being introduced to many members they decided to

become members again, my Dad mentioned that the place had a good friendly feel and was similar to earlier days when he was a member before.

I think in large part our club is doing so well because people enjoy volunteering here! The club scrub is this month on April 17th, a great time to help out for a couple hours and enjoy a slice of pizza and a beer afterward!

I look forward to volunteering in the Junior program, Opening Day, PITCH and whatever else I get a call for...Because I know it's worth it. I hope you can join in when called upon by a fellow member, and remember it's because of each of us that we are the great club we are! See you at the club!

## MORE ON OUR LOCAL HISTORY

*Excerpts from Who The Hell Was San Juan by Doug Cardle*

### So Just Who Was San Juan?

He was the Viceroy of New Spain. He was the eponym for at least seven place names in the San Juan Islands, four of which still remain on our charts.

He was Don Juan Vincente de Guemes Pacheco de Padilla Horcasitees y Aguayo, Conde Revilla de Ggedo. He was not, as far as the records show, any kind of saint.

Revilla Ggedo, as he was known for short, took over the job as viceroy in 1789. At this time the Spanish claims in North America had reached their widest extent. He did not see the far Pacific Northwest as being worth what it would cost to hold so he resisted the build up of the army planned by his predecessor. This did not bring him favor from the head man in Madrid.

Most of Ggedo's works as viceroy should have brought him more favor than it did. As a great reformer he is ranked among the top 20 or so of the leaders in Mexican history. He did much to clean up the bribery and corruption in the government service as well as seeing to the physical cleaning up of the capital city.

Despite his good works and popularity with the populous, Ggedo lasted only five years in office before losing his job. The rulers in Spain didn't think that Ggedo's reformations were all that necessary and handed him his walking papers as soon as they could.

All in all, the Conde Revilla de Ggedo was a worthy eponym for our island group and deserves to be more widely known than he is.

## Rosters Out, but Some Errors In!

The Roster Committee reports a few errors crept into the recent publication of the 2004 Roster/Yearbook that was mailed to all Club members. Obviously, the table of contents, page 2: all reference to "2001-2" should be "2002-3", and all "2002-2003" should be "2003-4".

In the Member and BYC Boats sections, correct Wayne Austin's boat, *Lulu*, to "Power". Tom and Dawn Baker's phone number is 206-949-0349, delete the old numbers, and Dawn's birth is not 5/23, but 3/23. Finally, when Past Commodore Max King moved back to Bellingham, he got a Bellingham phone number: 360-676-8846. Delete the others!

Be sure to send in any other corrections!

## Captain Homie

Just when I thought I had finally arraigned a reciprocal with every Yacht Club or Boating Club that was worth having one with, a new one pops up. Some times there so new they don't have a reciprocal set up. But they're excited about having reciprocals. So the Club in waiting is the Emerald/Rose Yacht Club. This is a Club of mostly African/American Boaters. The Seattle (Emerald) and a group of Boaters from Portland (Rose) formed this Yacht Club. I'm suggesting that they have their reciprocal at Coupeville.

Coupeville is a great place to duck in out of a big southerly blow, and 2 places uptown for Steamed Mussels. Toby's is the one I've been to, but the one on the corner closer to the dock is also supposed to be quite good.

Here's a quick list of some of Homies' other favorite places for Steamed Mussels. The Jolly Roger Restaurant at Secret Cove (B.C.). They are huge, with a distinct style. The best meal I ever had was at the Jolly Roger. Be sure to put your Boat Card underneath our Burgee too when you're here. We were the first burgee. Toby's (Coupeville). Just order the small one. The large or double is only for the real hungry. This is probably their signature dish. It 's the only reason I go there. Ivar's on the Seattle Waterfront has a unique recipe.

Let me tell about Ivar's. Monday thru Friday 3:00pm-7:00pm they have Steamed Mussels, plus some other great stuff on the Hors d'vours list for unbelievably low prices. This is the best food value anywhere. I said the best!

The J&J Seafood House in Poulsbo is also quite good. I love finding great food as I travel. I'm a great eater (Patty told me so).

I was in LaConner Feb 24th when the big winds blew. With the current going one way and wind going the other, they had 2 to 3 foot waves in the Slough. I was in the perfect spot, and got there when the water was slack. Anybody interested in knowing how to figure that one out, just send me an email and I'll be glad to Fax you the info. It's a pretty cool formula. (When at a rendezvous with the BYC, just ask if anybody has ever had trouble getting into the dock at LaConner, let alone the reciprocal dock for the Swinomish YC. Then sit back and listen to Boating Horror Stories. Be sure to fix yourself something to drink before you ask the question, cause you don't want to miss any of these stories. You could even have a prize for the the best one. I'll do it at the Past Commodores Cruise if I an make it.)

## Featured Advertisers

**BELLINGHAM YACHT SALES & CHARTERS** have been caring for powerboaters' buying, selling, and chartering needs for nearly 30 years! As dealers for the magnificent **Sabreline** and **Albin** boats, Dean, Nick and their associates can offer you a fine new boat to meet nearly any need, and as brokers, they have access through their contacts to thousands of boats offered by the world's brokers. You'll see many of their offerings at their exclusive dock at **1801 Roeder Avenue #174**, or you can call them at **671-0990**. Or check their Web site, [www.bellinghamyachts.com](http://www.bellinghamyachts.com).

**TOP TO BOTTOM INC.** : The most qualified in the harbor at what they do! The crew of hard-working divers, detailers, and other pros reporting to **BYC Member Roger Schjelderup** will buff, wax, dive, bottom paint, varnish, scrub, paint, and make repairs to your cherished boat, and, Heaven forbid, even salvage it if it sinks, or tow it when needed. Top to Bottom gets it done right, year after year, and they do it honestly and completely, and stand behind each and every job. Call Roger at Top to Bottom, **671-7022**; they're in the **Harbor Mall**.

*(Continued from page 6)*

I digress a bit. Swantown Marina has asked a bunch of folks who keep their Boats at the Swantown Marina to form the "Swantown Marina Boating Club on East Bay". They're still drawing up the By-Laws. We already have reciprocal with the South Sound Cruising Club, who have their reciprocal with the Swantown Marina. Swantown Marina is the only place you can do laundry south of Port Orchard.

By the way, if anybody ever hears of a Club that would be beneficial for us to have reciprocal with, just let me know and I'll check 'em out.

*Talk to you next time...*

## Plans for Cruise to "Royal Vic" Announced

**Quinn and Roberta Selsor**, "Cruisemasters" for the third year in a row, have revealed plans for BYC's annual 'Reciprocal' cruise to the Royal Victoria Yacht Club. July 1 is "Canada Day", a National Holiday essentially equal to our Independence Day on July 4. Many of our Canadian boating friends take this opportunity to cruise elsewhere (maybe the USA?) and therefore BYC members have the opportunity to use the vacated slips at the RVYC facility on Cadboro Bay.

Plan now to join in the fun filled weekend. Most cruisers will arrive Thursday, July 1 or by Friday night July 2 at the latest if a work schedule restricts an earlier departure. As in other years the group will go downtown Victoria by bus on Saturday morning for lunch at the Empress Hotel followed by shopping on Government Street and/or a movie at the I-Max theatre. The Royal B.C. Museum is also adjacent and if you haven't been there, you are missing a real treat. We have arranged to again have a catered dinner at the RVYC Clubhouse which will be on Friday evening.

Roberta has stated the theme for the "docktail party" will be a "Bundles" party. Everyone is to bring a costume (for a person of their same sex) packed in a bundle or bag. Be creative but try not to be size restrictive. How about a Bat Man, Captain Kidd or Nemo, or even a mask and clothing representative of a politician or a celebrity? However, Roberta warns, "you might draw your own costume" as all will be re-packed in identical bundles.

We plan to depart on Sunday afternoon and move to Garrison Bay to anchor overnight and watch the Fireworks over Roche Harbor. You can return at your leisure on Monday, July 5. Watch for more details in next month's *Jib Sheet*.

## TWIN SCREW POWERBOAT TRAINING FOR BYC MEMBERS

**Free!**

On Saturday, May 22, beginning at 9AM (rain date Sunday May 23), BYC Member **Joe Coons** is offering powerboat maneuvering lessons aboard *Skylark II*, his twin screw 43' Tollycraft. We'll spend the morning maneuvering around the harbor including lots of docking, and we'll discuss and practice the "tough" situations like "how to get away when the wind is blowing", etc. The training will be for novices, as well as those who want to get some hints, and is limited to no more than six members, first come, first served!

Joe, who has held a master's license, has trained over 100 folks charging them from \$200-\$600 each, but this will be free; he especially invites "first mates" who may want to get some learning from someone other than the "captains" in their lives. **You must be a BYC Member or Member's partner, and you must sign up in advance** by calling Joe at 739-1528, or by email at [bycjoe@comcast.net](mailto:bycjoe@comcast.net).
